THE ALMA MATER

All hail to thee, **O Waldorf**

Thy praises we will sing;
Through thy beloved lobby
The echoing anthems ring.
We sing of precepts noble,
Of loyalty and truth,
Of love and labor blending
To guide the steps of youth.

We love our **Waldorf College**

The school of VIKINGS BOLD;
We love her royal colors
The purple and the gold.
Then hail, all hail to Waldorf,
Our Alma Mater dear;
May heaven's richest blessings
Crown every passing year.

THE ALMA MATER

All hail to thee, **O Waldorf**

Thy praises we will sing;
Through thy beloved lobby
The echoing anthems ring.
We sing of precepts noble,
Of loyalty and truth,
Of love and labor blending
To guide the steps of youth.

We love our **Waldorf College**

The school of VIKINGS BOLD;
We love her royal colors
The purple and the gold.
Then hail, all hail to Waldorf,
Our Alma Mater dear;
May heaven's richest blessings
Crown every passing year.

THE BENEDICTION

THE RECESSIONAL

Departure of the Graduates: Recessional
Waldorf University Brass

arr. by Leslie Smith

Once you enter the auditorium and are seated, you are asked not to leave your seat except in an emergency. However, due to the importance of this occasion for the graduates and their families, parents of children who may be causing a disruption are encouraged to view the ceremony from the monitors in the Mezzanine.

A professional photographer will make available an individual photo of each graduate being awarded his/her diploma. Please do not use flash cameras or video/audio recording devices during the Commencement program. Videos of these events will be available via livestream: **A.A. & B.A.** – waldorfwarriornetwork.vhx.tv/videos/a-a-b-a-commencement and **B.S., B.A.S. & master's** – waldorfwarriornetwork.vhx.tv/videos/b-s-b-a-s-master-s-commencement.

The Alumni Board welcomes new graduates as members of the Alumni Association.

Due to pedestrian congestion after Commencement, no vehicles may pick up passengers in front of the Boman Fine Arts Center. Please pick up all passengers in the lot next to the facility.

A special Commencement Lunch will be served following commencement (11 a.m.-1 p.m.). The cost is \$8 per person (children ages 0-5 are free, ages 6-11 are \$4). Tickets may be purchased in the cafeteria. Everyone is welcome!

HONORS AND PROCESSION

GRADUATION HONORS

Special honors are awarded to Bachelor level students at the time of graduation in recognition of high scholarship. These are designated by the terms cum laude (with distinction), magna cum laude (with high distinction), and summa cum laude (with highest distinction).

Summa Cum Laude (With Highest Distinction): 3.90 – 4.00 GPA, gold cords

Magna Cum Laude (With High Distinction): 3.70 – 3.89 GPA, silver cords

Cum Laude (With Distinction): 3.50 – 3.69 GPA, purple cord

Graduates wearing gold medallions with green and blue ribbon were selected into membership to Alpha Chi, the national scholastic honors society. Alpha Chi admits to membership students from all academic disciplines. Only students in the top ten percent of the junior and senior classes may be invited to join. As an honors society, Alpha Chi recognizes previous accomplishments and provides opportunity for continued growth and service.

Students wearing gold honors medallions with gold ribbon are Waldorf Scholars, and graduates of the Waldorf Honors College. These scholars are students who were admitted to and successfully completed the program of the Honors College with a grade point average of at least 3.5.

Student Senate awards a purple with white trim stole to student senators. The stole represents their dedication to the University for maintaining a GPA of 2.5 or higher and staying actively involved in Student Senate for at least two years. Student Senate plays a major role helping clubs and other organizations fund their activities.

Students wearing cords of red, white, and blue are reserved for those students who are serving or have served in one of the branches of the United States Armed Forces. Waldorf University honors their service, their sacrifice and their continued support to protect the people and the boundaries of the United States of America. Waldorf University honors our service members, and gives thanks to their service...past, present and future.

BACCALAUREATE AND COMMENCEMENT

To signal the achievements of their students, American institutions of higher learning conduct formal ceremonies to award the appropriate degrees earned at the conclusion of prescribed study. The action of taking the degree, as well as the designation of the day itself, is Commencement.

Various explanations of the term Commencement are possible. The most likely is that centuries ago the bachelor, originally an apprentice, began his apprenticeship upon that day; and with the degree of M.A. and Ph.D., the masters and doctors commenced their work upon the day their degrees were conferred. So today, having finished their preliminary education, students set out to continue preparation for their vocation in life.

University's such as Waldorf precede Commencement ceremonies with a worship service, Baccalaureate, also from the traditions originating in the early history of collegiate education and involving a formal academic procession. Since such education was originally conducted and/or sponsored by the Church, a sermon of commitment and challenge called the Baccalaureate is traditionally delivered to the graduates.

THE ACADEMIC PROCESSION

The academic procession that officially preludes the graduation ceremonies on college and university campuses is an old and colorful custom linking 21st century education to its origins in the Middle Ages.

Processions at Waldorf University are always led by the processional cross, symbolizing the centrality of the Christian faith to the mission of the University.

The processional cross is followed by Waldorf's ceremonial mace, which symbolizes the authority and responsibility of the University. The mace is carried by Professor John Robinson.

Doctor Missy Reynolds, Professor Tiffany Olson, Dr. Nick Benesh and Dr. Jonathan Klauke serve as the Faculty Marshals. They direct the procession and guide members of the faculty, administration and students to their seats.

THE HERITAGE OF ACADEMIC REGALIA

The academic regalia worn at commencement is of medieval origin. The scholars of Bologna, Salamanca, Paris, Oxford, Cambridge, Louvain and Heidelberg dressed to distinguish themselves from the merchants and other townsmen. Since the 11th century, when the rise of the universities began, “learned clerks” robed themselves in gowns, caps and hoods, thus marking a difference between “town and gown.”

By this apparel they were recognized as belonging to the teaching guild: the Guild of the Master of Arts. In this organization the bachelor was the apprentice of the master. This relationship was a forerunner of today’s academic structure, which often includes graduate and/or teaching assistants (usually studying for advanced degrees).

In our time customs vary as to the wearing of the academic gowns. In the older English universities the masters or dons continue to wear them while engaged in instructional duties; students are required to wear gowns while attending lectures or during tutorials. In many other European universities, academic regalia is worn only on certain stipulated occasions, as in America today.

Generally in Europe, the faculty member wears the type of garment customary in the university where the professor is lecturing. In the United States our tradition differs; our professors continue to wear the gown and hood of the university from which they received their highest degree.

The gown, in origin, may have been simply a type of overcoat to protect the teacher from the cold in unheated buildings; the cut or style seemingly derived from ecclesiastical attire. It has usually been black. The gowns of bachelors and masters were usually without trimmings, whereas those of doctors are faced down the front with velvet and adorned with three velvet bars on the bell-shaped sleeves. The master’s gown has pointed sleeves which reach nearly to the knees, while the bachelor’s gown has plain, straight sleeves.

The cap or “mortarboard” may have come from the squarish cap worn by the masons of the Middle Ages, or perhaps was suggested by the shape of the scholar’s books. Attached to a button atop the mortarboard is a tassel; bachelor’s and master’s tassels are black. Gold tassels are worn only by holders of doctoral degrees and by heads of institutions. The tassel is worn on the left side by those who have received a degree.

The hood, a triangular fold of cloth worn over the back of the gown, is faced with colors which denote the field of study represented by the wearer’s degree; the colors of the lining are those of the college or university by which the degree was granted. The length of the hood is correspondingly longer with each higher degree.

The wide velvet borders extending down the front of the doctoral gown, the velvet bars on the sleeves, and the borders of most hoods, are colored according to the scholarly field of the wearer. For all academic purposes, the colors associated with the different disciplines are as follows:

THE WALDORF UNIVERSITY SEAL AND HERALDRY

SEAL

Waldorf's seal bears the symbol of the lamp and the book. The motto of the University is "Light and Truth." As an educational institution, Waldorf is dedicated to the truth in all branches of human knowledge and the sharing of this truth through its work of teaching. As a University of the Christian church, Waldorf is founded upon and guided by the truth of God's Word and is committed to the task of letting that truth light up the lives of all who come within its influence.

THE PROCESSIONAL MACE

Once a familiar weapon in medieval combat, the mace evolved over time into a symbol of authority and became associated with the pride of a nation and its origins. Later, the mace was adopted by universities as a symbol of the power of the academic pursuit of wisdom and truth. It is carried in academic processions to bring authority to ceremonial occasions and to symbolize the unity and aspirations of the collegiate community.

Waldorf's processional mace was designed and presented to the University by Dr. James Roy in 1994. Dr. Roy is a prominent artist and former faculty member of Waldorf University, who later became chair of the Department of Art at St. Cloud State University in Minnesota.

Carried vertically, the mace stands four feet high and is constructed of walnut and oak wood. The triangular head of the mace symbolizes the triune God, and a sterling silver medallion graces each of the three sides of the mace head. One medallion is a stylized version of the University's Seal, which includes the "lamp of learning," the motto "Lux et Veritas" (Light and Truth), the date of founding (1903), and two crosses. Another places the Greek letters chi and ro, which are the first two letters in the Greek word for Christ, over a stylized section of Salvesson Hall, the University's original building. The third medallion is the seal of Martin Luther, which symbolizes the University's commitment to the Lutheran understanding of the Christian faith. Several semi-precious gems stones adorn and decorate each of the medallions.

The Processional mace is carried in all formal academic processions of the University. The mace is carried by the University Marshal, and it follows the cross, which leads the procession.

THE PRESIDENTIAL MEDALLION

The tradition of a symbol of office is rooted in the colorful life of towns in the Middle Ages. The symbol of communal harmony was the mayor, who at his investiture was given a chain with a medallion that represented all the guilds working together for the welfare of the town. In the medieval university, the chief official, or rector magnificus, held authority similar to that of the mayor in civil society. Thus, he, too, was honored with a medallion, but his consisted of insignia of all the colleges of the university.

Waldorf University's presidential medallion was created by artist James Roy in 1968. Dr. Roy had been a professor of art at Waldorf, and was at the time professor of art and chair of the Art Department of St. Cloud State University in Minnesota.

The medallion is made of sterling silver and is decorated with several garnets and pearls. The medallion's face includes the lamp of learning set on an opened Bible, both symbols from the University's Seal. The University's name and its motto, Lux et Veritas (Light of Truth), surround the circular center of the medallion.

Rather than the more traditional chain, Roy designed a purple velvet shawl to hold the medallion. The fabric and color represent the historic commitments of the University to the Christian faith.

The presidential medallion is the official symbol of the office of the president of Waldorf University and is donned by the president when academic apparel is worn at formal academic celebrations.

LORD, WHOSE LOVE IN HUMBLE SERVICE

Lord, whose love in humble service
bore the weight of human need,
who upon the cross forsaken,
worked your mercy's perfect deed;
we, your servants, bring the worship
not of voice alone, but heart;
consecrating to your purpose
ev'ry gift which you impart.

Still your children wander homeless;
still the hungry cry for bread;
still the captives long for freedom;
still in grief we mourn our dead.
As you, Lord, in deed compassion
healed the sick and freed the soul,
By your Spirit send your power
to our world to make it whole.

As we worship, grant us vision,
till your love's revealing light
In its height and depth and greatness
dawns upon our quickened sight,
making known the needs and burdens
your compassion bids us bear,
stirring us to ardent service,
your abundant life to share.

O GOD, OUR HELP IN AGES PAST

O God our help in ages past,
our hope for years to come,
our shelter from the stormy blast,
and our eternal home.

Under the shadow of your throne
your saints have dwelt secure;
sufficient is your arm alone,
and our defense is sure.

Before the hills in order stood
or earth received its frame,
from everlasting you are God,
to endless years the same.

A thousand ages in your sight
are like an evening gone,
short as the watch that ends the night
before the rising sun.

Time, like an ever rolling stream,
bears all our years away;
they fly forgotten, as a dream
dies at the op'ning day.

O God, our help in ages past,
our hope for years to come,
Still be our guard while troubles last
and our eternal home.
