How to Help!

Award Nominations Needed

Alumni Awards recognize Waldorf alumni who have performed distinctive and meritorious service in areas such as public affairs, education, church, business, and government. We are also seeking nominations of people who may not necessarily fit the description of those awards, but may be deserving of other potential awards. Helen and Gerald Barth received the "2024 Heart and Spirit" Award for their incredible impact on Waldorf and the student body. If you have anyone in mind, email us at alumni@waldorf.edu or check out the [awards page](#) and submit a nomination through our [online form](#).

Celebrate Waldorf through Philanthropy

We have experienced a record outpouring of support for Waldorf since 2022. So many alumni, family members, and friends celebrate their love for Waldorf by including the University in their philanthropy. With such an incredibly strong financial position, no debt as of summer 2026, and bucking enrollment trends for the past several years, Waldorf has a bright future. Please [make a gift](#) to the Waldorf Fund or a priority area of Scholarships, Alumni Relations, or Campus Ministry. You can make gifts to existing scholarships by typing the name in the comments box.

The future of Waldorf is bright, and we are grateful for your love for Waldorf! How can we help you achieve your dream for Waldorf?
