Window of Opportunity!!!

The Waldorf Lutheran College Foundation is conducting its "Window of Opportunity" pledge campaign. Any donations will be matched by an extremely generous donor during this "window", all the way up to \$500,000 in total donations. So - think of each dollar as being worth double its value within this threshold. If you have been thinking about donating to the foundation, now is a very good time to consider contributing. If you feel inclined - click the "pledge form" button below and mail it back to us with a donation check. You may also give online to the campaign by clicking the "donate online" button below, and then you must select "Window of Opportunity" as the option. God bless!

The Waldorf Alumni Scholarship - Refer a student to Waldorf!

We care about our students and want to ensure that a Waldorf University education remains affordable for all who come to campus. Because of this, Waldorf has created a Waldorf Alumni Scholarship worth \$13,500!

If you know a high school student who would be a great future member of the

Waldorf family on our residential campus, please fill out the [Waldorf Alumni Scholarship form](#) with their basic contact information, and our admissions team will follow up with them.

We firmly believe that our alumni, who have sat in these seats and walked these halls, know Waldorf best. With that in mind, we also believe that you, as alumni, will have a much greater grasp on individuals who would be the best fit for Waldorf University. Feel free to reach out to these students to share your Waldorf story and to mention this scholarship!

We're SO excited to welcome future Warriors, and who better to help find future Waldorf alumni than those who already fill the role so well?
