

26-27 Taxes Paid Greater Than AGI

Thank you for completing your 26-27 FAFSA. Your FAFSA has been received and processed. However, you are receiving this additional notice due to one or more pending correction(s).

"The amount you reported for your income taxes paid is equal to or greater than the amount you reported for your adjusted gross income. Review Items 36 and 37 and make the necessary corrections."

This correction will need to be completed before our office can issue a financial aid award letter or disburse aid for you for the academic year. Please visit <https://studentaid.gov> to access your already completed 26-27 FAFSA and add your financial information from the 2024 tax year to correct this error.

Once corrections are made, make sure you sign, save and submit those corrections.

Our office will receive your corrected FAFSA in roughly three to five business days. Once received and processed, this need will disappear from your financial aid document list.

Please feel free to contact the Office of Financial Aid at 800.292.1903, extension 8892, or verification@waldorf.edu.
